

Peter Bellden

I have been a quarter horse enthusiast most of my life and live at Peachester in Queensland with my wife Kerrie. I have been a member of the AQHA since 1987 and since 1999 an Honorary Life member and also retain an Accredited Judges ticket.

I am a current Board member and have had the honor to be President on 4 occasions and Treasurer on four occasions. Furthermore I have been the National Show Convener for the last four years the last being the World Show Downunder, in which we had record entries across a large variety of events.

During the past eight years the AQHA has developed into a structured business, due mainly to the focus of the Board in trying to deliver the best possible AQHA for all to enjoy.

I have also been involved with several projects on behalf of the AQHA, the latest being the direct involvement of the acquisition of land and construction of a new purpose built office facility within Tamworth.

I therefore offer my time and effort to the membership in seeking re election. If elected I look forward to assisting the new Board in delivering more projects and events that will benefit all members.

**Thank You
Peter John Bellden
