

RADOO

Chestnut gelding born 15/10/73 bred by the Morton Brothers..
By Quarter Freedom Q159 and out of a foundation mare named Jessy.

Just mention the word "Versatility" to the western enthusiasts of the late 70's and during the eighties, and they would answer with one word - "Radoo"

Owned and ridden by the Schiller family of Wagga Wagga, New South Wales, Radoo was soon to gain a reputation as an illustration of what an Australian Quarter Horse should be - "AN ALL ROUNDER!"

Not only was he a great competitor but part of the family and it was not unusual to see both the Schiller boys hop on his back with no saddle or bridle and do a neat reining run around the arena at the end of the day's showing. The boys would slide off him and then Radoo would follow them to his resting place on the showgrounds.

With a grand total of 722 Lifetime points on the AQHA computer, plus 377 Youth Points he is a worthy AQHA Champion & Champion Youth Horse.
A study of his Points readout (enclosed) earns him the title of -
Mr Versatility!

"...The Youth Championships (Victorian Quarter Horse State Show 1982 at Upper Beaconsfield) saw a win in the senior youth to Stephen Schiller and that incredible horse Radoo...." *Hoofs and Horns* May 1982 report by Chris Hector.

"The High Point Senior Youth was Stephen Schiller, who seems to make a habit of taking out these awards. Stephen and his inseparable companion, Radoo (Quarter Freedom X Jenny), a 9 y.o. chestnut gelding, have become one of the strongest combinations in western competition, not only in youth events but open events as well. Stephen collected this same award in 1980 when he was much younger, but showed that 'old age' was not catching up too quickly..."
