

Beggar Bingo (Imp) Q376

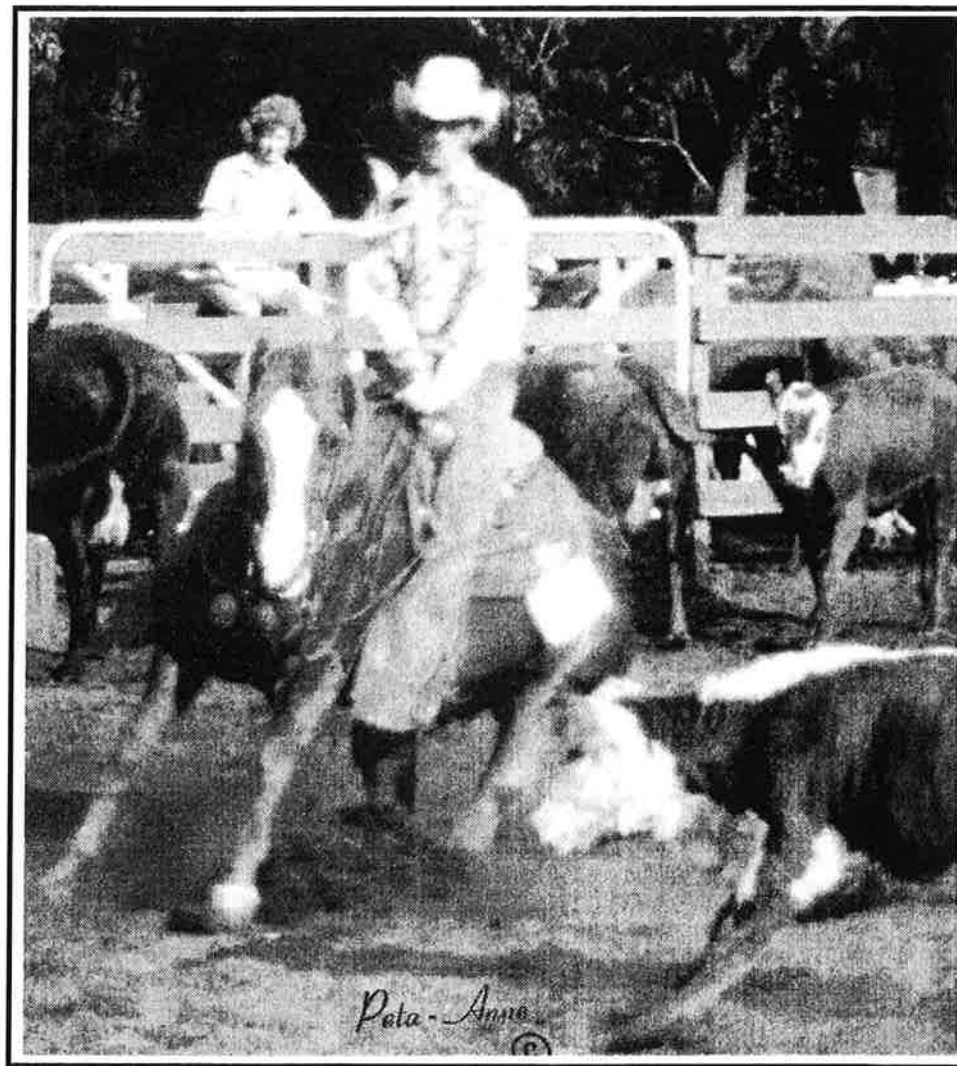

Born in 1965, Beggar Bingo was by the Leo bred stallion LEO BINGO (AAA, NCHA money earner, AQHA Champion, AQHA Superior Halter Horse), and out of JUBALON. He was bred by Art Stahan of Pleasanton, Texas, and was owned and campaigned by him until his sale to Winderadeen. He achieved his AQHA Champion status in America, earning his points in Cutting and Western Pleasure.

Beggar Bingo was imported to Australia by Winderadeen, arriving in 1970 to become the foundation sire of this well-known stud. He was probably one of the first horses to arrive in this country with such performance accreditation to his name. Beggar Bingo was campaigned at Halter where he achieved many awards including Champion Stallion at Sydney Royal in 1973 and 1974. In the mid 1970's he was shown in Cutting

events where he was awarded many placings and wins, earning NCHA Certificates of Merit, Achievement and Ability as well as an AQHA ROM Cutting.

As a sire Beggar Bingo has proven himself outstanding being a consistent producer of top class performance horses and of great broodmares. Some of his most memorable offspring (to name a few) are Kay Bingo, the Supreme Halter Exhibit at the first AQHA Championships - she has gone on to become one of the greatest dams of pleasure horses in the country with her foals by Jet Boom winning many major events and High Point awards. Bingo's Melody, 4 times Grand Champion mare at the AQHA National Championships (an unbeaten feat), and the AQHA and Logan Insurances Western Pleasure Series Triple Crown winner has also gone on to be a top broodmare - she has had only 2 foals, one being Bingo's Harmony, the top 1997 Two Year Old Western Pleasure Horse and Capricorn Bingo's Lindy who has the unique credit of having won the Moonbi Cutting Futurity and the All Australian Sprint Race Futurity in the same year. Bo-Kay was 3 times High Point horse at the Nationals and the 1989 Stud Book Performance Horse of the Year and has already produced a National Champion Hunter Under Saddle. Bojet, A Okay, Winderadeen Fair Bid, Honey Bingo, Bingos Leoki, Instant Sunshine, TH Minnis Ballerina are just a few of his GET who have been outstanding

performers. Horses like Driftwood Bingo, who is one of the few stallions by him in this country, have also been top producers.

In 1989 he was the Runner-up Leading Sire of Performance Horses for the AQHA after he had been dead for three years. He has been the AQHA leading maternal grandsire of AQHA Champions for the past few years, and Beggar Bingo mares feature prominently every year in the leading dams of point earning horses nationwide for the AQHA. He is the maternal grandsire of such great horses as ... Cagie Boom AQHA Champion; Riskay Boom AQHA Champion; Coalminers Daughter top cutting mare; Golden Pepper 2 times High Point Halter Gelding of Australia and a top Amateur horse. The list goes on ...
